Thursday, July 20 th	9:00 a.m.	Breeding Rabbit Show

Friday, July 21st	10:00 am	Rabbit Costume Class- Rabbit Barn (Rabbit exhibitors only)
Saturday, July 22nd	11:00 p.m.	Rabbit projects released.

Department – Rabbits

Section A – General Rules for All Livestock Projects at the Warren County Fair

Exhibitor & Entry Rules

- 1) To be eligible to participate in the fair, the exhibitor must be a current member in 4-H or a participating youth organization and all projects must be on their 4-H enrollment form.
- 2) All 4-H members taking livestock projects (including horse, donkey & mule) must participate in livestock project interviews to be eligible to show and sell at the fair.
- 3) All livestock fair entries must be entered online by June 15 at 4:30 p.m. Late entries will be accepted until June 20 at a cost of \$10 per project per day late. Animals not entered will not be permitted to show or sell.
- 4) **Exhibitor Conduct Policy:** Exhibitors are required to conduct themselves in a courteous and orderly manner. Harassment, profanity and unsportsmanlike conduct by exhibitors and their attendants towards fair personnel and judges will not be tolerated. Any violation warrants expulsion from the fairgrounds, possible withholding of monies and exclusion from participation in future Warren County Fairs.

Livestock Rules

- 1) All animals must have been completely and fully owned (as evidenced by a bill of sale or registration papers), including all showing rights, and in complete and continual care of the exhibitor on and after the deadline for that project. Consult that specie's section of the fair book for ownership deadlines. Ownership is considered lost if, after the designated ownership date, the animal is consigned or sold through an auction or through any other transaction, even if the animal is bought back by the exhibitor. The Warren County Agricultural Society reserves the right to inspect livestock to verify continual care and ownership. Failure to allow these inspections may disqualify the exhibitor from current and future Warren County Fairs.
Exceptions:
 - Any market animal (beef, goat, sheep, or swine) that dies within 30 days after the county tagging date may be replaced within one week after the death, subject to approval by the OSU Extension office. The OSU Extension office must be notified within two days after the death and the animal must be verified as dead by fair personnel. Replacement animals are ineligible for Grand, Reserve or Division Championships, but may show in class and sell.
- 2) **Livestock Care:** Exhibitors are required to keep their livestock fed and watered in a manner that properly cares for their projects. Exhibitors must keep their stalls/pens/cages clean during the fair. Fair personnel have the right to require exhibitors to feed or water their animals or to clean their stalls/pens/cages. Exhibitors failing to comply may be ineligible to sell in the Junior Fair Livestock Sale.
- 3) **Animal Behavior:** Fair personnel have the right to remove any animal from the fairgrounds that is deemed to be a danger to exhibitors, fair personnel or to persons attending the fair. Dismissed animals are ineligible to sell in the sale. Exhibitors must demonstrate the ability to show their own animals without endangering themselves or others.
- 4) **Animal Vision:** Every animal brought onto the fairgrounds must have full vision in at least one eye or they will be sent home. Market animals will be ineligible to show and sell.
- 1) **Animal Structural Soundness:** Livestock must be considered structurally sound enough to survive loading and transport to a slaughter facility in large trailers with other animals to be eligible to sell in the livestock sale. Determinations of acceptable soundness will be made by the fair veterinarian; species show committee and the Senior Fair Board. Livestock deemed as too unsound to survive loading and transport will be scratched from the sale and must be taken home by the exhibitor. (Exception for market hogs, which must be immediately transported to a local harvest facility for processing).
- 5) Force feeding, drench guns and bottle/nipple feeding of liquid diets are not permitted unless done as instructed by the fair veterinarian for the health of the animal. Violators will be ineligible to show and sell. **Note: Liquid and paste feeds and supplements in tubes inserted into the mouth for ingestion IS considered force feeding and is not permitted.**
- 6) Animals must always remain in the barn area and are not permitted on the midway of the fairgrounds.
- 7) Any animal that receives medical treatment at the fair from the fair veterinarian with a drug that has a withdrawal time must be scratched from the show and sale, including non-market animals (feeder cattle and breeding animals) and must immediately be removed from the fairgrounds.
- 8) **No personal or 4-H club livestock scales are permitted in the barns or wash areas. If brought to the fair, they must**

- 1) **be located outside of those areas. (NEW for 2023)**

Fair Stalling Rules

- 1) Stall/pen assignments will be done by fair personnel. All 4-H clubs will be stalled/penned in the same area. Animals must be displayed in their assigned stalls.
- 2) Exhibitors may not begin to set-up, save grooming chute spots, tie-out stalls, or tack space until 12:00 Noon on the Friday before the fair.
- 3) Exhibitor signage may only be displayed on their own stall/pen.
- 4) Only animals entered for exhibition at the fair are permitted to be stalled on fairgrounds.
- 5) No exhibitor tents or awnings permitted in livestock barns or in areas surrounding the barns, including the road between Building C & Building D.

Exceptions:

- a) See the tent rules for sheep and goats in their fair book section.
- b) Tents/awnings may be used for grooming beef cattle on show days, but they must be located at the outer edge of the blacktop, must be anchored securely, and must be removed at the conclusion of the show.

9) General Show Rules

- 1) Exhibitors are responsible for following all Ohio Department of Agriculture and Warren County Fair rules regarding ethics, tampering, misrepresentation and other laws related to exhibiting livestock. Consult the Senior Fair Book section for a full list of these rules.
- 2) All champion animals are subject to drug testing immediately following the show before they leave the show ring. The Warren County Agricultural Society reserves the right to test any animal exhibited at the fair.
- 3) Animals must be shown by their owner to place and sell, unless excused for medical reasons or if multiple animals are in the same class. Substitute showman must be an active Warren County 4-H member.
- 4) Animals must be groomed within a 30-foot radius of the barn areas and must be always visible.
- 5) Animals may not be scratched from the show after their show has started unless done due to animal behavior issues. Animals that do not show are not permitted to sell. Animals may not be scratched after they have shown in their class.

6) Prohibited Grooming Products & Practices:

The following grooming products and practices are **NOT** permitted at the Warren County Fair:

- Pigmented grooming products (paint, colored adhesive, powder sprays, whitening sprays, etc.)
- Hair thickening products (Powderful, etc.)
- **FOR SWINE ONLY:** Aerosol sprays, oils, powders, or anything that appears to be an oil or powder. Warren County is a water-only show for the entire week.
- **The use of water, ice, or other externally (Cool Blue, etc.) or internally applied products that serve as a cooling agent during show preparation are strictly prohibited. No ice, ice packs, cold packs, cold compresses, cold water, wet towels, drizzling water, misters, etc. are permitted during show preparation unless prescribed to relieve heat stress or a medical condition diagnosed by the fair veterinarian. The fair veterinarian must be present when the treatment is applied. The use of fans without misters are permitted. (Rules Clarification from Previous Rule)**

General Showmanship Rules

- 1) Exhibitors must sign-up for showmanship on their fair entry form.
- 2) Showmanship classes will be divided by age as of January 1, 2023. Classes will be divided at the discretion of the show committee.
- 3) Exhibitors must show their own Junior Fair project.
- 4) Only current class winners are eligible to compete for species showman of showmen. If the species winner declines to participate in the Grand Showman of Showmen Contest, the next highest placing exhibitor from the species showman class will be eligible.
- 5) Previous winners of the Grand Showman of Showmen contest are not eligible to participate in future Grand Showman of Showmen contests. Exhibitors may win the Grand Showman of Showmen contest only once in their lifetime, but they are still permitted to win individual species Showman of Showmen. If they win a species, then the reserve champion species showman of showmen would represent the department in the Grand Showman of Showmen contest.

Grand Showman of Showmen Contest

- 1) The following departments are eligible to have one participant in the Grand Showman of Showmen Contest if they meet the species/department showmanship participation numbers for the previous year and current Warren County Fair.

- Beef Cattle; Dairy Cattle; Goat (Dairy, Pygmy or Fiber Goats); Dog; Donkey; Horse; Llama/Alpaca; Market Goat (Market Goats & Boer Breeding Does); Poultry (Chickens, ducks); Rabbit; Sheep; Swine; and Turkey.
- 2) For a species/department to be eligible to participate in the Grand Showman of Showmen Contest, they must have the following levels of participation in showmanship:
 - a. At least 12 participants that competed (not entries) in showmanship at the previous year's fair.
 - b. At least 12 entries for showmanship for the current fair.
 - 3) All exhibitors will be notified about which species/departments will be in the Grand Showman of Showmen Contest after the fair entry deadline and at least one week prior to the start of the fair.

Premier Exhibitor Awards

An award will be presented to honor the Junior Fair Exhibitor that does the most outstanding job in their species during the 2023 Warren County Fair. Categories included in the calculation of the award will include conformation judging, showmanship, project interviews, **skill-a-thon** and herdsmanship. To be eligible for the award, exhibitors must compete in all categories, and they must sign-up for the premier exhibitor award on their fair entry. Exhibitors do not need to show a market animal to be eligible. Consult the Premier Exhibitor Fair Book Section for scoring information for each species. The following departments will have an award in 2023:

- Beef Cattle (includes market beef, feeder calves and breeding cattle)
- Dairy Cattle
- Market Goat – Market Goats & Boer Breeding Does
- Goat – Dairy Goats, Pygmy Goats & Fiber Goats
- Horse
- Llamas/Alpacas
- Poultry (includes breeding and market for chickens, ducks, geese, and turkeys)
- Rabbits (market and breeding)
- Sheep
- Swine

The awards will be announced during the Grand Showman of Showmen Contest on Friday evening. The top five exhibitors from each species will be recognized with the winner receiving a trophy.

General Sale Rules

- 1) **Thank you notes:** Thank you notes for buyers and add-ons must be written and brought to the OSU Extension office for verification in a stamped envelope by August 31, 2023. Exhibitors failing to have their thank you notes verified at the Extension office by the deadline will be ineligible to sell in the following year's Junior Fair Sale.
- 2) **Show & Sale Types:**
 - Market Beef: Partial terminal. Only the Grand & Reserve Grand must be sold and immediately harvested.
 - Market Goat: Partial terminal. Only the Grand & Reserve Grand must be sold and immediately harvested.
 - Market Lamb: Partial terminal. Only the Grand & Reserve Grand must be sold and immediately harvested.
 - Market Hog: **Terminal.** All market hogs must be harvested or sent to a licensed livestock facility to be harvested immediately after the sale. Market hogs cannot be scratched from the sale or purchased in the sale to take home. Underweight and overweight hogs must be removed from the fairgrounds by 10:00 p.m. Sunday night.
- 3) **Number of Sale Lots:** Exhibitors are permitted to sell five lots in the Junior Fair Sales. A pen of chickens counts as one lot. If an exhibitor shows more than five lots, they must scratch animals from the sale.
- 4) **Sale Scratch Deadline:** The deadline to scratch animals from the Junior Fair Sale is Tuesday, July 18 at 12:00 noon. A parent or guardians' signature is required. Forms are available in the Junior Fair office. Animals failing to scratch must sell or the exhibitor may be ineligible to sell at next year's fair.
- 5) If an animal fails to be present at their time in the sale, they will be scratched from the sale and no re-scheduling will be permitted. The animal will remain the possession of the exhibitor and must be taken home at the conclusion of the fair. Exception: Market hogs will be scratched from the sale, sold at packer price, and loaded on the packer truck.
- 6) Exhibitors in their final year of 4-H eligibility may have a special announcement read prior to the sale of their first animal in each day's sale. It is the responsibility of the exhibitor to complete the "Senior Announcement Form" and return it to the Junior Fair office by 1:00 p.m. on Thursday of fair week. Excluding 4-H members in their last year of membership eligibility, no special announcements are permitted from the auction block.
- 7) Excluding grand and reserve champion animals, no person other than the exhibitor and sale personnel may be in the auction ring.
- 8) If, due to market and livestock industry circumstances, the Warren County Agriculture Society cannot secure a packer bidder for any species, then all exhibitors within that species would be required to take their livestock projects home. The deadline for livestock removal from the fairgrounds in this circumstance would be 12:00 Noon on Sunday, July 25.

- 9) A 4% commission will be charged to all sale animals to cover sale expenses (including add-ons).

Livestock Project Participation Numbers

- If a project (Ex. breeding sheep) fails to have at least five exhibitors enter and show animals at the fair for two consecutive years, that specific project will no longer have a show at the Warren County Fair.
- To have an eliminated show reinstated into the fair, at least five exhibitors must petition the Senior Fair Board for reinstatement.
 - The first year will be demonstration only (no show).
 - At least five exhibitors must bring an animal to the fair.
 - Animals will be stalled in a separate demonstration area designated by the Senior Fair Board.
 - If all these provisions are met for two years, the show will be reinstated, but must continue to meet the participation numbers listed above or the project will again be eliminated.
- **The following shows have been eliminated from the Warren County Fair:**
 - Breeding sheep (2017)
 - Market geese (2023)

Fair Livestock Arrival & Veterinary Inspection Times

Livestock exhibits are permitted on the fairgrounds only during their assigned times. Animals that fail to arrive during their assigned times will not be permitted to show or sell and must be removed from the fairgrounds. Since health papers are no longer required for livestock at the Warren County Fair, the fair veterinarian will inspect all livestock in their stall/pen during a specified time for each species on Sunday, July 16. Livestock must be uncovered and located in their assigned stall/pen for the duration of the inspection period. Livestock not in their stall/pen for inspection will be disqualified and must be removed from the fairgrounds. The fair veterinarian has the right to remove animals from the fairgrounds due to health/disease issues detected during the inspection. Consult the fair schedule for the times for your species.

Required Fair Paperwork for Livestock Check-In

Veterinarian issued health papers are not required for the Warren County Fair. All exhibits will be inspected by the fair veterinarian. Check your species section of the fair book for inspection times.

The following paperwork is required for the Warren County Fair:

- **Drug Use Notification Forms (DUNF):** Will be collected using an online system (One per market animal)
- **Hatchery Papers or Negative Pullorum Test:** All poultry projects. Collected at check-in.
- **Registration Papers:** Registered beef breeding cattle.

Livestock Release Time & Removal of Tack and Displays

The release time for livestock projects at the 2023 Warren County Fair will be 11:00 p.m. on Saturday, July 22. Failure to follow any of the following dismissal rules can be cause for disqualification from participation at the 2024 Warren County Fair.

- Exhibitors are required to leave their pen/stall displays set-up until 11:00 p.m. Saturday for viewing by the public.
 - Exception: Market Hogs must leave their pen displays set-up until 6:00 a.m. on Friday morning.
- The following rules apply to the removal of tack and equipment:
 - All exhibitors are required to remove bedding (except hogs & cattle), feed, manure, carpet, decorations, risers, show panels and boards from their pen/stall by 10:00 p.m. on Sunday. A \$25 fee will be charged to exhibitors when they fail to clean their pen/stall.
 - **Market Hogs:** Market hog exhibitors are permitted to remove their tack & displays from 6:00 a.m. until 9:00 a.m. on Friday morning OR 6:00 a.m. until 9:00 a.m. on Saturday morning OR they can remove their tack and displays after 11:00 p.m. Saturday.
 - **All Other Species:** Tack and equipment can be removed from 6:00 a.m. until 9:00 a.m. on Friday OR from 6:00 a.m. until 9:00 a.m. on Saturday OR after 11:00 p.m. on Saturday.
- All gates into livestock areas will be locked on Saturday, July 22 from 9:00 a.m. until 11:00 p.m. Only trailers picking-up sale animals will be permitted to enter and exit through the gates.
- All animals must be removed from the fairgrounds by 12:00 Noon on Sunday, July 23.
- Decorations and displays must be removed from the fairgrounds by 10:00 p.m. on Sunday, July 23.
- **NOTE:** Overnight camping will now be permitted on Saturday, July 22nd. Campers must be removed from the campground by 10:00 p.m. on Sunday, July 23.

The following animals are not permitted to leave the fairgrounds until the 11:00 p.m. release time. If any of these animals leave prior to the release time, the exhibitor can be disqualified from participation at the 2024 Warren County Fair.

- Any market animal or feeder calf that scratched out of the Junior Fair Sale.
- Non-market animal projects, including alpacas, beef breeding, dairy cattle, donkeys, goats (boer does, dairy goats, all pygmy goats, fiber goats, cart goats and pack goats), llamas, poultry (all non-market birds), rabbits and breeding turkeys.
- Because horses can trailer in and out of the fairgrounds due to stalling limitations, any horse that is on the fairgrounds at 9:00 a.m. on Saturday, July 22 must remain until 11:00 p.m. on Saturday night.

Exceptions

- Market hogs: Because the show is terminal and the sale is Thursday, all hogs will be loaded out after the sale on Thursday or Friday.
- Any market animal or feeder calf that was purchased through the sale and was sent to the packer bidder or a local slaughter facility will be loaded and released prior to the deadline. A release paper will be given to the driver which must be shown at the exit gate to be released from the fairgrounds.
- Any market animal or feeder calf that was purchased through the sale and is going to someone's home will be released prior to the deadline, if and only if, the purchases are paid for on Saturday, July 23 and the buyer has a paid receipt to enter and leave the fairgrounds after the sale. Purchases must be paid for within one hour after the conclusion of the sale to be released prior to the 11:00 p.m. release time.
 - **SPECIAL NOTE:**
 - Only animals purchased through the sale can leave. Additional animals are not permitted on the trailer. The gate attendant will check the numbers on the paid receipt to insure it matches the number on the trailer. Any attempt to put extra animals on the trailer can be cause for disqualification from participation at the 2024 Warren County Fair.
 - Show equipment and tack cannot be loaded onto the trailer while picking up animals.

Exhibitors are required to care for their animals sold in the Junior Fair sale until they are loaded on the truck (packer or for harvest). Excluding hogs, exhibitors are expected to assist with loading their animals on the trucks during and at the conclusion of the sale.

Junior Fair Rabbit Rules

Consult the **Eligibility & General Rules for all Junior Fair Livestock Projects** for additional Warren County Fair livestock rules.

Rules for ALL Rabbit Projects

- 1) Exhibitors must be enrolled in the corresponding 4-H project to show to show in that division.
- 2) Rabbits must be listed on the entry form to show.
- 3) **Exhibitors can only show TEN breeding rabbits at the fair.**
- 4) All rabbits must have a permanent legible tattoo in their left ear PRIOR to arrival at the fair. (Babies in Doe & Litter class do not need permanent tattoos). All excess ink must be removed.
- 5) Each rabbit may only be shown in one class (breeding rabbits can't show in meat pens, pet rabbits can't show as a breeding rabbit, Doe from Doe & Litter Class cannot be shown in a breeding class, etc.)
- 6) Exhibitors must use cages/coops provided by the Warren County Fair.
- 7) All bedding, feed and other animal care equipment is the responsibility of the exhibitor. The use of cedar shavings is prohibited in the rabbit barn.
- 8) Exhibitors are required to leave their pen/stall displays set-up until 11:00 p.m. on Saturday, July 22nd for viewing by the general public. Tack and grooming chutes may be removed from 6:00 a.m. until 9:00 a.m. on Saturday, July 22nd OR after 11:00 p.m. on Saturday, July 22nd. Tack and displays must be removed by 10:00 p.m. on Sunday, July 23rd.

Market Rabbits (Project 226)

- 1) Pens of market rabbits must be raised from a litter of a dam owned by the exhibitor. Exhibitors may not share a dam.
- 2) Members must own and possess the market rabbit dam by May 1, 2023
- 3) The age of the meat pen is to be 70 days or less on the day of the fair weigh-in. (Rabbits must be born after May 9th, 2023.)
- 4) Members must call the OSU Extension office by May 27th to notify them that their meat pen was born. DOESMUST BE TATTOOED before calling in.
- 5) All market rabbits must be tattooed on Tuesday, July 5th from 6:00 p.m. to 7:30 p.m. in Building C at the fairgrounds. Only two litters per exhibitor may be tattooed. Exhibitors must bring the doe and market litters to the tattooing.
- 6) Exhibitors may show and sell only one meat pen.
- 7) Member must declare their pen of 3 during the weigh in. No re-weighs after you leave the table.
- 8) The Champion & Reserve Champion meat pens must sell in the Junior Fair Livestock Sale. All other exhibitors may sell, if they meet the requirements. Deadline to scratch meat pens from the sale is Tuesday, July 18th at 12:00 noon.

Weight Requirements

Weigh-In: Sunday, July 16th from 4:00 p.m. to 7:00 p.m.

- Three rabbits are required for a meat pen. All three must be from the same litter. Exhibitor should bring entire litter to weigh in and will choose 3 from the litter at weigh in for meat pen.
- Individual rabbits must each weigh 3 to 5 lbs.
- This is the only weigh-in time. All rabbits must be weighed during this time period to be eligible to show and sell. No re-weighs.
- Exhibitors may bring both tattooed pens but only weigh in one.
- Exhibitors must select their pen of three rabbits, from the same dam, during weigh-in.

Sale Order

- 1) Grand Champion Rabbit Meat Pen
- 2) Reserve Grand Champion Rabbit Meat Pen

Remaining meat pens will be sold in random order.

Doe and Litter (Project 225)

- Litter must be between 4 to 8 weeks old on the day of the show to be eligible to show. (Born between May 27th and June 24th, 2023.)
- Exhibitor must report litter DOB and litter size on FairEntry. If litter is born after June 15th, this information will need to be called into the Extension Office.
- There must be at least 4 babies in a 6 breed litter and any quantity in a 4 class breed litter to be eligible to show.
- Rabbits shown in Doe & Litter may not show in any other class.
- Exhibitor may only show one Doe & Litter in 6 Class and/or one Doe & Litter in 4 Class.

Classes (See the list of breeds in the breeding rabbit section)

- 1) 6 Class Breeds
- 2) 4 Class Breeds

Breeding Rabbits (Project 225)

- 1) To be judged as a class, a breed must have at least three entries.
- 2) A miscellaneous class will be held for those not in a particular breed class or with too few entries.

- 3) Exhibitors may show only one animal per age classification per breed.
- 4) No color distinctions will be made in any class.
- 5) The show committee reserves the right to add or delete classes as warranted by entry numbers.
- 6) Age for breeding rabbits determined as of the day of the show.
- 7) All rabbits in breeding class MUST be intact. Neutered rabbits must be shown in pet class.

Order of Show, Class Descriptions & Breeds

6 Class Breeds

- Senior Buck – Male over 8 months of age
- Senior Doe – Female over 8 months of age
- Intermediate Buck – Male between 6 and 8 months of age
- Intermediate Doe – Female between 6 and 8 months of age
- Junior Buck – Male under 6 months of age
- Junior Doe – Female under 6 months of age

California	Crème d'Argent	Lop: French
Champagne d'Argent	Giant: Checkered	New Zealand
Chinchilla: Giant	Giant: Flemish	Satin
Chinchilla: American	Lop: English	Other ARBA Recognized Breeds: Must list breed on FairEntry

4 Class Breeds

- Senior Buck – Male over 6 months of age
- Senior Doe – Female over 6 months of age
- Junior Buck – Male under 6 months of age
- Junior Doe – Female under 6 months of age

Angora	Harlequin	Polish
Belgian Hare	Havanna	Rex
Brittanica Petite	Himalayan	Rhineland
Chinchilla: Standard	Jersey Wooly	Lionhead
Dutch	Lop: Fuzzy	Tan
Dwarf Hotot	Lop: Holland	Thrianta
English Angora	Lop: Mini	Other ARBA Recognized Breeds: Must list breed on FairEntry
English Spot	Mini Rex	
French Angora	Netherland Dwarf	

Rabbit Poster Contest

- 1) Open to any youth enrolled in a rabbit project.
- 2) Posters must be entered on the fair entry form.
- 3) Posters must be submitted at fair rabbit check in, July 16th.
- 4) Posters must be made using 22" x 28" poster board, displayed horizontally (no foam board).
- 5) Each poster must be clearly labeled in the lower right corner, in a space no larger than 3" x 5" with the exhibitor's name, 4-H club and age as of January 1, 2023
- 6) Posters will be judged on educational content (50 points), neatness & appearance (30 points) and originality (20 points).
- 7) Posters will be displayed in the Rabbit Barn.
- 8) Unclaimed posters will be discarded following the fair.

Age Classes

- 1) Senior (15 years and older)
- 2) Intermediate (12 to 14 years of age)
- 3) Junior (11 years and under)

<p style="text-align: center;">Rabbit Costume Class Friday, July 21st – 10:00am Rabbit Barn</p>

- 1) Open to Rabbit Barn Exhibitors only
- 2) Classes
 - a) Best Duo (Exhibitor and Rabbit)
 - b) Best TV/Movie Character
 - c) Most Unique
 - d) Best Occupational
 - e) Judges Special Award

*Exhibitors will enter costume class during the week of the fair
