This form must be completed in full, including signatures, by the deadline.

**Calves purchased as feeder calves during the 2023 Warren County Fair are NOT required to complete this form as long as they have a Blue "100" Red/Orange "300" ear tag number from last year's fair, because their information is already on file in the office. Last year's fair tag must be in their ear at tagging on December 9<sup>th</sup>.**

Cows calving in other counties or states, even if they are owned by a Warren County cattle producer, are not eligible for the county born class.

- 3) Cows must have an identification number (ear tag, tattoo or brand).
- 4) Calves must have an ear tag that matches this registration form. Calves without ear tags will not be tagged as county born.
