How Does it Work?

No need to sign up! Just add a few small steps to your routine!

Here's how the program works:

1 FILL UP WITH
HARD-TO-RECYCLE PLASTICS

Fill the Hefty[®] orange bag with acceptable hard-to-recycle plastics.

2 DROP IN WITH
REGULAR RECYCLING

Tie up the full orange bag and place it in your curbside recycling cart or at an approved drop-off location, along with normal recyclables.

3 RENEW INTO
VALUABLE RESOURCES

The orange bags are sorted at your local recycling center and acceptable contents are sent to a facility to be converted into valued resources.*

*Particular valuable resources may vary by geography.
